PERFORMANCE^N

DESIGN^N

SAFETY^N

TECHNOLOGY AND COMFORT^N

UNMISSABLE DESIGN

- » Imposing stance accentuated by various design elements such as; the long hood, functional roofrails
- » All LED lights (Signature double barrel headlamps, Sting like DRLs encasing the foglamps, Stacked tail lamps)
- » Diamond cut R18 alloy wheels
- » Sting inspired chrome design element
- » Leather wrapped dashboard with metal finished dual rails
- » Rich coffee-black leatherette upholstery

THRILLING PERFORMANC

- » 2.2l mHawk Diesel engine
- » 128.6 kW with 400 Nm torque
- » 6 speed automatic transmission
- » Zip/Zap/Zoom drive modes
- » Selectable 4X4 high and 4X4 low
- » Shift on the fly 4X4 high

CAPABILITY FOR EVERYONE

- » Rear wheel drive
- » Next generation platform body on frame construction
- » 4Xplor intelligent terrain response system Mud, sand, gravel, normal off-road
- » Mechanical locking differential
- » Electronic brake locking differential
- » Pentalink suspension

INTUITIVE SAFETY

- » 6 airbags
- » Front and rear disc brakes
- » ESP package (electronic stability program) with brake disc wipe, hydraulic brake assist and electronic brake prefill
- » Driver drowsiness alert
- » ISOFIX
- » High strength steel

SOPHISTICATED TECHNOLOGY AND COMFORT

- » 8" touch screen Infotainment system- with android auto
- » Sony sound system with 12 speakers
- » Dual zone FATC (full auto temperature controller) with smart clean zone
- » Dual camera
- » 6-way power adjustable driver seat
- » 7 seater

*Features will vary based on model.

UNMISSABLE DESIGN

The All-New Scorpio-N is what you get when aspiration meets attitude. When sophistication meets performance. And when urban meets style. Designed with a larger-than-life persona and a towering new look, when the all-new Scorpio-N is present, everyone senses it.

The All-New Scorpio-N is an intuitive, immersive, and enjoyable SUV to drive and own.

The All-New Scorpio-N is completely new ground-up. Its imposing stance is accentuated by various design elements that will certainly make heads turn wherever it goes.

The Scorpio-N takes forward the muscle factor to a whole new level. On the inside, it is just as captivating.

- » **Imposing stance** accentuated by various design elements such as the long hood and functional roof rails.
- » **Signature double barrel headlamps**, sting-like DRLs encasing the foglamps and stacked tail lamps. All LED lights will ensure you lead the way.
- » **Diamond cut 18" alloy wheels in Z8 and Z8L**
- » **Sting-inspired chrome design element** – a metallic tail element is seamlessly integrated into the beltline, swinging all the way to the top of the window, giving the Scorpio-N more of a sting.
- » **Leather wrapped dashboard with metal finished dual rails.**
- » **Top-notch craftsmanship** - rich coffee-black leatherette upholstery.

Taking premium to the next level.

THRILLING PERFORMANCE

Get ready for a superior driving experience because when you get riding with your all-new Scorpio-N, you will experience thrill in an all-new manner. With its excellent transmission, drivability and a high-performance engine, the Scorpio-N performs to outperform.

Thrilling Performance

The All-New Scorpio-N is engineered for those looking for a new-age authentic SUV.

Say High to Power

Power runs in Scorpio-N's veins and it delivers a performance that is synonymous with the Scorpio DNA.

- » 2.2l mHawk Diesel engine
- » 128.6 kW with 400 Nm torque

Scorpio-N doesn't waste time when it comes to dominating the streets.

Gear Up Effortlessly

The engine comes with a 6-speed automatic transmission equipped with the segment first 'shift-by-cable' technology to offer excellent shift quality and drive comfort

Choose Your Drive

Scorpio-N offers three distinct drive modes. **Zip** for easy control and smooth riding, especially through traffic. **Zap** for a true Mahindra SUV performance. **Zoom** to amp it up for a more engaging and potent drive quality.*

*ZZZ only available in 4x2

CAPABILITY FOR EVERYONE

When it comes to capabilities,
Mahindra SUVs are lonely.
Because no one else even comes
closer. Every feature is crafted to
outperform the last.

Every feature on the all-new Scorpio N is designed to provide an unparalleled driving experience that sets a new standard for performance. With its advanced engineering, even the most inexperienced driver can confidently tackle any terrain with ease.

- » **Rear wheel drive** in normal driving conditions.
- » **Next generation platform body-on-frame construction** has been engineered to ensure every drive is safe, comfortable and exciting.
- » **4Xplor** – intelligent terrain response system on 4x4 models to rule all terrain. From mud to sand, gravel and normal off-road.
- » **Mechanical rear locking differential** – Locks the differential to split power equally to both wheels on the axle. Helps in off-road situations and ensures maximum traction in all conditions.
- » **Electronic brake locking differential** – Ensures maximum traction in all conditions. Applies brakes to certain wheels when they have less traction and sends power to the wheel with more traction.
- » **Pentalink suspension** – A Watts (five) link mechanism offers a confident ride and handling attributes, especially on undulated sections of the roads as it prevents lateral movement.

Full of Powerful

Scorpio-N is built to be a rear wheel drive, authentic Mahindra SUV, giving an added push to the already remarkable torque.

Reign Every Terrain

High performance tailored for the terrain you're driving on, at your fingertips. Scorpio-N's traction capabilities are enhanced by employing the most advanced 4XPLOR terrain mode that intelligently optimises the traction for different terrains automatically. So be it snow, sand, mud or a normal road, with the 4 low and 4 high gear options – Scorpio-N is always in control.

» Shift-on-the-fly 4X4 high option available

Strong From Scratch

This 'engineered from scratch' platform gives Scorpio-N an agile structure that intimidates everyone else. The strong yet efficient "next generation 3G frame" whose bending and torsional stiffness is significantly improved to provide a world-class structural rigidity, off-roading capability and impressive high-speed stability. Moreover, the high-strength steel make is designed to give added muscle to the whole body and frame.

No Slipping

Mechanical and brake locking differential that electronically locks up all axles in slippery conditions for maximum traction. Electronically controlled BLD arrests slip at each axle to ensure progress, no matter what.

The image shows the rear interior of a Mahindra Scorpio-N. The seats are upholstered in brown leather with black stitching. Three white airbags are deployed from the seats, illustrating the vehicle's safety features. The background is a solid dark green color.

INTUITIVE SAFETY

At Mahindra, we've always believed in setting high standards for safety. And the story continues with the all-new Scorpio-N.

WITH ESC

WITHOUT ESC

Come What May

6 Airbags to protect you from every angle. The front, side and curtain airbags ensure the utmost safety of every occupant.

Never Not Safe

The Driver Drowsiness Detector triggers an audio-visual alert to the driver if he feels drowsy while driving.

Stability

Electronic Stability Control (ESC) suite packed with 18 features maintain complete control during steep turns, high speed, and panic braking.

Ready & Steady

Uphill ride or downhill descent, it's no worry with Scorpio-N. Hill Hold to hold it from rolling back, in case you've stopped uphill. And Descent Control to limit its speed without your input when going down hill on a steep slope.

Everyone's Safe

ISOFIX enhances safety when riding with children in the all new Scorpio-N.

Brake Right

When the Scorpio-N needs to stop, it does so with precision.
Thanks to ABS and EBD coupled with all 4-disc brakes on it.

Monitors Danger

The state-of-the-art tyre pressure monitoring systems keep the tyre pressure and temperature in check. And alerts you to keep you averse from danger.

The image shows the front interior of a Mahindra Scorpio-N. The dashboard and center console are finished with brown leather, while the upper parts of the dashboard and the door panels are black. A large infotainment screen is mounted on the right side of the dashboard, displaying a radio interface. The steering wheel is partially visible on the left. The text 'BRISTLING TECH' is overlaid in large, white, bold, sans-serif capital letters across the center of the image.

BRISTLING TECH

Intelligence Personified.

Authentic Mahindra SUV embellished with a lot of high-tech gadgetry. The mighty new Scorpio-N packs intelligent tech and human-machine interface, engineered to give you an immersive experience.

The All-New Scorpio-N scores high on technology.

Offering an unmatched proposition for urban and tech-savvy customers, and taking engagement to the next level.

- » 8" touch screen Infotainment system – with android auto
- » Sony sound system with 12 speakers – fully immerse yourself!
- » Dual zone Full Auto Temperature Controller (FATC) with smart clean zone
- » Dual camera

A high-quality photograph of a car's interior, focusing on the front seats and dashboard. The seats are upholstered in a rich brown leather with dark stitching. The dashboard and center console also feature this leather, accented with silver-colored trim. The steering wheel is black with silver accents. The background shows a blurred view of a modern building at night, with lights visible through the windows.

SOPHISTICATED

The all new Scorpio-N is as snug as a bug
in a rug. Its interior promises luxury and freedom
of space like no other.

COMFORT

Superior Interior

The interiors of the Scorpio-N are designed and fettled to offer a highly sophisticated sensation, delighting the driver and passengers alike.

- » 6-way power adjustable driver seat - whether you like a low tucked-in seat or a high view of the road, your choice.
- » 7-seater versatility
- » Dual zone FATC (full auto temperature controller) with smart clean zone.
